

Precision is Our Profession

As the world's leading metrology company, Mitutoyo is committed to break-through technologies in current and future product development for its full range of dimensional measurement tools, instruments, software and systems. Held in the belief that providing the highest quality products and services to our customers, in turn allows you to do the same for your customers, Mitutoyo continues to develop the most advanced metrology solutions. "Precision is our profession," is not only the company motto, but also the principle by which every Mitutoyo employee stands.
